Dear Sirs,

Hereby, we certify that Parsylon Corporation has concluded the contract No. 62/112 with Bina Consulting Engineers to present consulting services in the fields of supervision on executive operation of installation and commissioning of our factory located on 8th kilometer of Khoramabad-Andimeshk road. Our company has been benefited by satisfactory services, experiences and specialties of Bina Consulting Engineers who have cooperated with us very influentially. Therefore, we thank and appreciate the efforts undertaken by Bina Consulting Engineers especially Mr. Ghasem Mohammadi's permanent efforts, as the project manager and head of consulting engineers, who managed this company for almost three months in order to achieve installation and commissioning goals of the factory – now exploiting nylon threads project. We request success for him and his colleagues from great God in the future.

Best regards,

Fariborz Nasiri
