

National Petrochemical Industries Co.

**In the Name of God
The compassionate, the Merciful**

Dear Sirs,

Thanking God, the Phase I of grand Bandar Imam Khomeyni Complex was exploited by your committed and professional experts. It was a proud and honorable job, which was beyond imagination of foreign supervisors, accomplished by revolutionary experts in order to prove their designing and construction ability in the course of rehabilitation, repeatedly. No doubt, this event will be a turning point in the trend of independence of our industry. I congratulate this success to Iranian nation and decisive experts and look forward to further successes and more significant achievements.

Best regards,

President of Islamic Republic of Iran
Akbar Hashemi Rafsanjani

Dear Staff of Bina consulting Engineers,

As presenting the letter of appreciation from Iranian respectful president, your efforts in order to improve and commission the phase I of the complex are appreciated.

Best regards,

Seyed Mahdi Mir Moezzi
